The theme for Celebration 2010 is Celebrating Jesus, Lord of All.

The theme for Celebration 2010 is Celebrating Jesus, Lord of All.

Together we will magnify Jesus in whom "we live" by celebrating *who* we are and *whose* we are. Together we will explore how "the Mennonite Brethren move" in Jesus by celebrating our past and asking God where he is calling us to in the future. Together we will actively celebrate "in whom we have our being" as our global family gathers to glorify the matchless name of Jesus and enjoy the Mennonite Brethren global community.
